Payment of Temporary Federal Additional Compensation (FAC): The American Recovery and Reinvestment Act of 2009 provides for a payment of FAC in the gross amount of \$25.00 for each week of unemployment compensation paid. FAC began with the week beginning February 22, 2009, and ends with the week beginning November 28, 2010. However, individuals who establish a benefit year on or after May 23, 2010, are not entitled to the FAC payment.
